

[5] Autumn Days

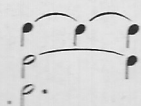

POSITION

1	5
C	G
5	1

$\frac{3}{4}$ METER 3 counts to each measure
A Quarter Note (♩) gets one count

The Dotted Half Note (♩.) gets three counts.
Count: 1 - 2 - 3

THE TIE

When two notes of the same pitch are connected by a curved line (tie), the second note is held and counted, but is not played again.
